Can I customize what's in my box, or exchange something once I receive my box?

Unfortunately, no; KAC doesn't have the capacity to handle customizations or special requests. If a piece of art in your box isn't your style, consider making someone's day with a gift of art!

When can I pick up my CSA Box?

CSA Boxes will be ready to pick up at KAC on Tuesday, December 1 - just in time for the holidays!

Can you ship my CSA Box directly to me?

KAC may be able to accommodate shipping requests, with a minimum fee of \$25. Shipping options can be discussed following the gala.

How much of the purchase price goes to artists?

Approximately 40% of CSA Box proceeds will go directly to participating artists.

What do you mean "approximately"?

Artists were offered commissions to make pieces (ranging from 25-50% of sale value). Some artists declined the commission and opted for 100% donation to KAC. An estimated 40% of revenue will go directly back to artists.

I want more art! Is it a subscription?

That would be neat...but KAC doesn't have the capacity to manage a full-CSA subscription program. This is a one-time experiment, so get it while it's here! That said, we strongly encourage you to check out the participating artists' websites/social media and consider purchasing directly from them.
